Patrick M. Lynch

Practice Description

Represents clients throughout the state of Texas in state and federal court, including defense of FDCPA and FCRA claims, stay and discharge violation claims, sequestrations, relief from stay, Chapter 11 and 13 plan analysis and objections, and defense of claim objections. Also protects clients' interest in collateral subject to forfeiture by state actors and against fraudulent possessory liens brought by mechanics and impound lots. Patrick began his legal career as a briefing attorney for the Honorable Ronald B. King, chief bankruptcy judge for the Western District of Texas.

Focus of Practice

Focus on creditor's rights in bankruptcy and state court litigation, with particular specialization is secured transactions and collateral protection and
