## Practice Description

Mr. Funderburg has represented clients in a variety of matters from breach of contract and embezzlement to personal injury disputes. Specifically, his practice focuses on transportation and logistics matters, business and commercial disputes, premises liability, non-subscriber disputes, and construction and real estate litigation.

## Representative Experience

Represented nation-wide equipment rental company in Federal Court against claims by non-subscribing employee demanding over two-million in damages resulting from injuries sustained as a result of alleged unsafe equipment. After extensive motion practice, obtained summary judgment and complete dismissal of all claims.

Obtained complete summary judgment on behalf of residential property investor on the issue of control and direction of subcontractor after employee suffered fatal injuries working on the property in question.

Obtained complete summary judgment on behalf of commercial landlord for claims made by tenant arising from a slip and fall on the premises resulting in extensive monetary damages.

Obtained dismissal within first six weeks of lawsuit via Rule 91a Motion to Dismiss, and granted necessary attorney's fees in defense of matter wherein Plaintiff's counsel demanded more than \$300,000.

Defended and successfully resolved wrongful death claims against client construction company arising from traffic control issues in the construction zone on major highway.

Associate counsel in defending client against claims of defamation, libel, and slander. Plaintiff sought damages more than \$250,000. After filing a Motion to Dismiss under Texas Anti-SLAPP statute, a settlement was reached wherein the Plaintiff took nothing, and client was awarded portion of attorney's fees.

Represented nation-wide real estate brokerage firm in many successful efforts to collect unpaid rental obligations and breach of lease agreement matters.

Successfully defended construction company against motion for new trial after awarding default judgment against subcontractor in construction defect matter.
