

# The most difficult thing in **DIVORCE** is to take action.

**The rest is merely tenacity.**

Elizabeth Hunter possesses the necessary tenacity to take deliberate and calculated actions in high-stakes situations. See for yourself what great things her clients have to say about her:

“Combining my case information with her extensive legal knowledge, Ms. Hunter took a bold approach and constructed a highly unusual and creative path to attaining a settlement that resulted in a far better than anticipated outcome.

*I highly recommend Elizabeth Hunter for her dedicated work ethic, attention to detail and client, and especially for her masterful ability to interpret the law in combination with a client's unique needs. Elizabeth Hunter will be your best asset in the delicate circumstance of divorce.”*
